

What Makes GSF USA a Great Place to Work

At GSF USA, we care about clean and the people behind clean. We invest in our team members by offering:

TRAINING

At initial hire, onboarding includes site-based skill, product, equipment and process training.

Ongoing training helps employees continually learn and improve to drive safety, efficiency and client satisfaction. Ongoing training topics may also include management and leadership.

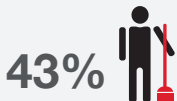

ADVANCEMENT OPPORTUNITIES

50% of operations management and professional administrative staff were developed and promoted from within. Many started as hourly cleaners.

60% of operations management and professional administrative staff have 3+ years of service.

43% of hourly cleaners have 2+ years of service.

GSF Managers are continually looking to identify high-potential hourly cleaners for promotion.

BENEFITS → Full-time benefits eligibility for those at 32.5 weekly hours includes:

3 Minimum Essential Coverage medical plan tiers with GSF contribution toward premiums.

A voluntary dental plan.

Paid vacation time allotment at 1 and 3 years of service.

Paid personal time allotment at 90 days of service and each calendar year following.

Paid bereavement and jury duty time.

401(k) retirement plan.

Escalating hourly wages.

LEADING, SAFE AND SUSTAINABLE SOLUTIONS

New, high-quality equipment enhances cleaning productivity and consistency.

Where appropriate, automated “cobot” floor scrubbers and vacuums complete repetitive and time-consuming floor care tasks.

Where appropriate, electrochemically activated solutions (ECAS) for cleaning and disinfecting replace toxic chemicals, uphold safety and improve indoor air quality.
